

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

* * *

JOHN VERNON FIELDS,

Petitioner,

v.

RENEE BAKER, et al.,

Respondents.

Case No. 3:16-cv-00166-MMD-VPC

ORDER

This action is a *pro se* petition for a writ of habeas corpus filed pursuant to 28 U.S.C. § 2254 by a Nevada state prisoner. This action has not been properly commenced because petitioner submitted incomplete financial paperwork. Under 28 U.S.C. § 1915(a)(2) and Local Rule LSR 1-2, petitioner must attach both an inmate account statement for the past six months and a properly executed financial certificate. Petitioner in the instant action has failed to submit an *in forma pauperis* application that provides the necessary financial information. Petitioner failed to include a copy of his inmate account statement and failed to submit a financial certificate signed by an authorized prison or jail officer. The Court is unable to see, *inter alia*, the regularity and amount of any incoming funds as well as the extent to which petitioner is making discretionary expenditures that instead could be applied to payment of the filing fee.

Due to the defects presented, the pauper application will be denied, and the present action will be dismissed without prejudice to the filing of a new petition in a new action with a pauper application with all required attachments. It does not appear from

1 the papers presented that a dismissal without prejudice would result in a promptly filed
2 new petition being untimely. In this regard, petitioner at all times remains responsible for
3 calculating the running of the federal limitation period as applied to his case, properly
4 commencing a timely filed federal habeas action, and properly exhausting his claims in
5 the state courts.

6 It is therefore ordered that the application to proceed *in forma pauperis* (dkt. no.
7 1) is denied and this action is dismissed without prejudice to the filing of a new petition
8 in a new action with a properly completed pauper application with all new and complete
9 financial attachments.

10 It is further ordered that all pending motions are denied without prejudice.

11 It is further ordered that the Clerk of Court send petitioner two (2) copies each of
12 an application form to proceed *in forma pauperis* for incarcerated persons and a
13 noncapital Section 2254 habeas petition form, one (1) copy of the instructions for each
14 form, and a copy of the papers that he submitted in this action.

15 It is further ordered that petitioner may file a new petition and *in forma pauperis*
16 application in a new action, but he may not file further documents in this action.

17 It is further ordered that the Clerk of the Court enter judgment accordingly.

18 It is further ordered that a certificate of appealability is denied. Reasonable jurists
19 would not find the dismissal of the improperly commenced action without prejudice to be
20 debatable or wrong.

21 DATED THIS 8th day of April 2016.
